Basic Terms
Complete terms and conditions for meal plans are available at www.icard.uillinois.edu and at the UIS ID Center.

Students living in residence halls are required to choose the Signature, Gold, or Silver plan. Sophomores living in campus apartments or townhomes must choose a residential (non-commuter) plan.

Apartment and townhome residents who are not sophomores are not required to have a meal plan, but may purchase any residential plan. UIS students not living on campus may only purchase a commuter meal plan.

Purchases made with residential meal plans are not subject to Illinois state sales tax. Purchases made with commuter meal plans are subject to Illinois state sales tax.

You cannot add value to any meal plan. Value on any plan carries over from the fall to spring semester provided requirements are met, as follows:
• Students with a meal plan are registered for classes before the late registration period for the spring semester ends.
• Residential students continue to reside in campus housing for the spring semester.

Any value remaining on meal plans at noon on commencement day of the spring semester (as specified in the UIS Catalog) is forfeited.
